11th January 2021

Dear Fellow Member,

Chairman's Report.

Well, here we are in the middle of a pandemic (possibly with some light at the end of the tunnel) which has shocked and concerned us all. Life for everyone has been quite different and as with many of the pursuits we follow we have not been able to participate as we would wish. We have all missed our Sunday evening screenings and the conviviality which comes with them.

We passed our 10th anniversary last September and we would have marked the occasion accordingly had we been able to. I'm sure that we will make up for it once we are back to normal.

We have planned a Zoom AGM for both 2019 and 2020 on Sunday 24th January at 3pm. The meeting shouldn't take long and your attendance would be appreciated to ensure that we have a quorum. I intend to step down as Chairman and would propose that our very own Philip Cole takes on that role. However, I am happy to continue in my role of Treasurer and set out my report below.

On behalf of your Committee, I thank all the members for their continued support, the interest shown and the suggestions for film titles. Not every film is to everyone's taste but we will stick to our ethos of World Cinema.

Treasurer's Report for the Years ending 31st December 2019 & 2020.

As you will see from the attached Profit & Loss Accounts which have been examined, the accounts have fallen into a set pattern now we have settled into the Parish Hall. Both years show a positive outcome, however in 2020 we were only able to screen four films. Overall, we show a healthy balance. Should you have any questions regarding the Accounts please let me have them by e-mail as soon as possible so that I can answer before the AGM; thank you.

I look forward to seeing you at the Zoom AGM.

Yours sincerely,

Barney Greenhill.
