Dear Fellow Member

Chairman's Report 2022

Another year has flashed by and we are back at the time of the year when we need to hold our - mercifully brief - Annual General Meeting.

Kino has been remarkably resilient and, after an eighteen month enforced moth-balling, I am pleased to report that we have now held a very successful Autumn 2021 season which was very well attended and are now over half way through our Spring 2022 season. It is always encouraging so see so many familiar and friendly faces turning up at our screenings! Your thoughts and comments on the films we show are always welcome as we aim to challenge and entertain in equal measures.

We will hold our AGM before our next film on **Sunday 24 April at 6pm**. The meeting shouldn't take long and your attendance would be appreciated to ensure that we have a quorum. The committee is now a small group of volunteers and we will all stand for re-election if you are happy for us to continue.

On behalf of your committee, I thank all the members for their continued support, and the interest shown. Not every film can be to everyone's taste but we will stick to our policy of World Cinema and hope you will continue to try out what we offer.

Treasurer's Report for the Year Ending 31 December 2021

As you will see from the attached Profit & Loss Accounts which have been examined, the accounts have fallen into a set pattern now we have settled into the Parish Hall.

Overall, we show a healthy balance. Should you have any questions regarding the Accounts please let me have them by e-mail as soon as possible so that the Treasurer can answer them before the AGM.

Best wishes

Philip Cole
